

OPERATIONS CONSULTANT

Радно место: Крагујевац

If you are looking for creative and challenging international projects, excellent working conditions, training and development opportunities, pure professionalism with a handful of positive spirit and... You are a team player with open and friendly personality and would like to work as:

Operations Consultant

You will:

- Provide consultancy, coordinate and monitor software development projects
- Adjust and improve software development processes and tools to achieve high operational performance
- Be in charge for operational consulting, problems solving and support of project teams, ensuring that all teams are built properly
- Perform project supervision - weekly monitoring and reporting
- Implement and maintain operational documentation
- Build and develop ongoing and new relationships to manage best possible customer experience
- Be actively involved in Sales and Customer support and consulting
- Maintain strong relationships with all levels within clients and internal teams

You have:

- University degree (IT/Organizational Sciences or similar...)

- At least 3 years of experience in IT Operations/Project/Resources, or similar position within an international company
- Excellent communication skills, both verbal and written
- Excellent interpersonal skills and a collaborative working style
- A demonstrated commitment to high professional ethical standards
- Agile/Scrum, PMP certification would be considered as a plus
- Excellent written and oral communication skills in English
- Knowledge of German will be considered as asset
- Ability to travel in the country and abroad

Our offer:

- A chance to be part of casual but highly professional international environment
- Opportunity to learn from experienced colleagues
- Competitive compensation depending on experience and skills
- Professional and soft skills trainings and education
- Sports, team buildings, conferences and events
- Modern and cozy offices in Kragujevac
- Possibility to travel abroad
- Work – life balanced schedule
- Respect and support to your professional, family and personal goals
