

PYTHON/ANGULAR DEVELOPER

We are currently looking for a Python/Angular Developer to join our fast-growing team Mindnow AG and help us develop and maintain various software products.

Mindnow AG is a team of passionate developers who spend their free time reading Hacker News and tinkling with new frameworks. We build different kinds of software for different clients, from a mobile application to SMS Integration for a Bank.

WHAT WE EXPECT FROM YOU TO DO:

- You will be working alongside other Python and/or Javascript Developers in the pursuit of delivering a perfect product
- 60% of your time will be dedicated to coding
- 10% to code reviews
- 10% to meeting
- 20% to writing test
- Within your team you will follow Agile Methodology, and daily stand-ups as well as Sprint Retrospective are performed regularly
- Writing effective and scalable code as well as reading the code written by others. We have a Continuous Deployment system built Part of your job will be helping us improve on our whole infrastructure and automate different business processes.

ESSENTIAL SKILLS AND EXPERIENCE:

- Super smart and have either a degree in Computer Science or equivalent work experience.
- At least 2 years of experience working with either Python or Javascript.
- Experience in Python, Git, Linux and SQL (Postgres or MySQL).
- Knowledge of Django or Flask.
- Knowledge of Angular or React.
- Familiarity with event-driven programming
- Understanding of fundamental design principles behind a scalable application

- Strong unit test and debugging skills.
- Experience working with AWS is a plus.
- Experience working with Big Data is a plus.
- Experience working with Docker is a plus.
- Bonus points if you have open source contributions or personal projects you've shipped successfully.

BENEFITS:

- High-growth company in which you can find exciting and trend-setting challenges
- Familial working atmosphere in an open-minded multinational team
- All necessary equipment – up to you to decide what you prefer
- A budget for professional improvement (courses, conferences, books...)
- The budget for the mastery of the English language during the working hours
- Nice office in Belgrade
- Fully stocked kitchen (tea, coffee, fruits, soft drinks, snacks...)
- Tournaments of table tennis, table soccer and darts in our office
- Skilled and senior co-workers
- Opportunities to learn and grow with us.

If you are interested in this position and you have all the required qualifications, do not hesitate to send your CV to: hr@holycode.rs.
