

enjoy.ing is a Swiss based engineering company, with headquarters in Zurich, gathering internationally experienced teams of engineers in Belgrade and Niš.

## We enjoy software engineering! Do you?

If you are looking for creative and challenging international projects, excellent working conditions, training and development opportunities, pure professionalism with a handful of positive spirit and...

You are a team player with open and friendly personality and would like to work as:

### QA Automation Engineer

#### You will:

- Be part of dynamic international environment
- Contribute with your knowledge and skills to the implementation of a comprehensive test automation suite for a complex technology stack
- Be involved in test planning (task analyzing, documentation reading, communication with business representatives and developers, sprint planning and task estimation, preparing test cases)
- Drive test automation frameworks, quality assurance processes and best practices
- Create various testing documentation, including test cases, test scenarios, defects, test summary reports, etc.
- Report findings in bug tracking tool (JIRA)
- Share positive and proactive team spirit

#### You have:

- At least 3 years of professional experience in web application testing
- Very good understanding of both QA and software development life cycles
- Hands-on experience with Selenium or some other functional testing tool
- In-depth experience in manual and automated testing
- Experience in test planning & management and test case design
- Very good analytical skills
- Ability to work well within teams
- Proactivity and excellent communication skills
- University degree in computer science is preferable
- Good spoken and written English skills

#### Our offer:

- A chance to be part of casual but highly professional international environment
- Opportunity to learn from experienced colleagues, including internal knowledge sharing sessions
- Competitive compensation depending on experience and skills
- Private pension and medical insurance
- Professional and soft skills trainings and education
- Awesome referral fees
- Sports, team buildings, conferences and events
- Modern and cozy offices in New Belgrade and Niš, cakes and fresh fruits...
- Possibility to travel abroad
- Work – life balanced schedule
- Respect and support to your professional, family and personal goals

Working location: **Belgrade**
