

CODE YOUR FUTURE!

SENIOR ANDROID DEVELOPER

We are currently looking for an experienced Senior Android Developer with strong skills and proven experience who is ready to join our AVA team, an award-winning startup company based in Zurich. They have launched a novel wearable device that has the potential to significantly increase the quality of life for millions of women. The core of their business is smart algorithms which exactly and reliably predict a woman's fertile days.

RESPONSIBILITIES:

- Implement new features for our Android app and contribute to the existing Android team
- Take ownership of specific feature implementations and produce structured, easy to read and efficient code
- Write unit tests and verify your code against defined test cases
- Participate in code review meetings and ensure timely delivery of high-quality code
- Discuss possible implementations with lead developers and contribute to the overall design and architecture of our app
- Estimate development efforts and do sprint planning together with the team
- Keep track of your work and make sure to follow Ava's development process
- Plan releases together with the team and support the release of our app on the Play Store

ESSENTIAL SKILLS AND EXPERIENCE:

- Bachelor's or Master's degree in computer science, electrical engineering or a related field
- 5+ years of working experience as an Android developer
- Good knowledge about software design patterns, data structures and algorithms
- Understanding of software development lifecycles
- Willingness to work flexibly, in an interdisciplinary and international environment, depending on the current project status

- Strong analytical skills and process-oriented work style with a structured, independent approach to work and focus on getting things done
- Fluency in English

BENEFITS:

- The high-growth company in which you can find exciting and trend-setting challenges
- Amazing product to work on
- Familial working atmosphere in an open-minded multinational team
- All necessary equipment – up to you to decide what you prefer
- The budget for professional improvement (courses, conferences, books...)
- The budget for the mastery of the English language during the working hours
- Nice office in Belgrade
- Fully stocked kitchen (tea, coffee, fruits, soft drinks, snacks...)
- Tournaments of table tennis, table soccer, and darts in our office • Skilled and senior co-workers
- Business trips to Zurich
- Opportunities to build products that really make a difference
- Opportunities to learn and grow with us

If you are interested in this position and you have all the required qualifications, do not hesitate to send your CV to: hr@holycode.rs.
