

eFront is the leading end-to-end software provider that changes the way the world looks at alternative investments. If you are looking for an opportunity to join talented fast-growing team **eFront** is the right place for you!

We are looking for :

Full Stack Developer (eFront Insight)

Department : Technology

Position

Fully integrated to our Engineering Team in Belgrade, you will be exposed to both the technical and functional layers of our most innovative product, while acquiring a unique skillset on the fast-growing Private Equity industry, and Alternative Investments in general. As a member of an international team, you will also learn how to work in a global Agile company. High achievers will be rewarded with fast track career development.

Product:

We are reinforcing our software engineers in charge of the development of eFront Invest, eFront Insight, the fastest-growing product of eFront, dedicated to Alternative Investment companies.

Technologies and Concepts involved:

- C#, with Visual Studio
- .Net Core
- TypeScript / JavaScript / CSS / Html, jQuery
- React
- Azure Services
- Cloud-First applications
- MSSQL
- Agile (Scrum)

If you are familiar with these technologies, then you probably have:

- Bachelor or Master' degree in Electrical Engineering, Computer Sciences, Mathematics, Organizational Sciences or related software engineering background
- Fluent English, both written and spoken
- Strong knowledge of C# and SQL, previous experience will be positively considered
- Ability to autonomously dig into an existing codebase and understand its concepts
- Interest in the functional part of the product, any knowledge about the Finance industry will be highly appreciated
- Creative mindset; strong analytical, problem-solving, communication and time management skills; proactive approach with ability to handle multiple projects simultaneously

Why eFront is a place for you

Our multicultural environment is fueled by creative people who are driven to deliver. We are committed to provide you with an opportunity to build your career, develop and improve your skills as a part of the fastest growing FinTech industry in the world.

Start building your career with eFront now!
