

**eFront** is the leading end-to-end software provider that changes the way the world looks at alternative investments. If you are looking for an opportunity to join talented fast-growing team **eFront** is the right place for you!

We are looking for :

## UI/UX Interaction Designer

Department : Technology

### Position

Fully integrated to our Engineering Team in Belgrade, you will be exposed to both the technical and functional layers of our most innovative product, while acquiring a unique skillset on the fast growing Private Equity industry, and Alternative Investments in general. You will evolve in an international, Agile and fast growing environment, in a company that put user experience as a top priority. High achievers will be rewarded with fast track career development.

### Product:

We are reinforcing our software engineers in charge of the development of eFront Invest, eFront Insight, the fastest-growing product of eFront, dedicated to Alternative Investment companies.

### Your day would include:

- Creating low-fidelity prototypes to validate design concepts with stakeholders and customers
- Designing User Experience of our products, from low-fidelity sketches to hi-fidelity mockups
- Supporting the other engineers on a daily basis when implementation starts
- Providing detailed specifications
- Collaborating to the definition of the UX guidelines across the company

### If you see yourself doing these activities then you probably have :

- Several years of experience as a UI/UX Designer
- Ability to simplify complex systems
- Portfolio that demonstrates professional and solid design
- Experience with responsive design
- Good knowledge of UX principles and best practices
- An Understanding of HTML and CSS will be appreciated, as well as previous experience with Balsamiq, our design tool and FIGMA, our graphic tool
- Enthusiastic, creative and open-minded point of view
- Ability to efficiently communicate in English
- Demonstrative problem solving abilities

## Why eFront is a place for you

Our multicultural environment is fueled by creative people who are driven to deliver. We are committed to provide you with an opportunity to build your career, develop and improve your skills as a part of the fastest growing FinTech industry in the world.

Start building your career with eFront now!
